Asset Register updated 27 January 2021 (Napkins added) by Alan Kirby					
Asset Register reviewed and updated for AGM 2021 updated 27 August 2021					
I would suggest that discussions take place to ensure that with Items 3 & 13, the Club at least has a copy of the artwork to prevent loss of the artwork. Maybe Helen Schell would be prepared to do this as she seems to be more knowledgeable than anyone else on the matter					
I am happy to confirm (by feedback rather than visual examination) that all items are with the listed custodians as at 27th August 2021
