General Business

Chris Young suggested the need to remind all members that there are a small core of people who act as rally venue officers. He further suggested the Committee produce a list of those who have been venue officers and another list of up-and-coming rallies that require a venue officer.

Chris Young discussed the recent first aid course offered by ACCWA with 2 positions available from each caravan club. Sandgroper had members attend this course.

Chris Young indicated that ACCWA should be doing more for the Caravan members particularly as it had significant funds, possibly in excess of \$100,000.
